WHAT IS A DISPARITY STUDY?

The District has hired **BBC-Pantera-Tiber** to conduct a **disparity study** to assess whether any barriers exist for minority and woman-owned businesses that make it more difficult for them to compete for District contracts and procurements. The disparity study will:

- Measure participation of minority and woman-owned businesses in District contracting
- Estimate availability of minority and woman-owned businesses for District contracting
- Assess marketplace conditions for minority and woman-owned businesses
